OFFICIAL MATCHDAY PROGRAMME

LONDON CITY LIONESSES
VS LIVERPOOL FC
SUNDAY 4 OCTOBER 2025
KICK OFF 11:55PM

WELCOME

It is with great excitement that everyone at London City welcomes you to the CopperJax Community Stadium for today's match between London City Lionesses and Liverpool. Hosting you here at our home ground is always a special day, and this fixture promises to be no different as we watch our team fight with passion, determination, and respect, to win the game for you, the fans.

For both teams today, the game has a deeper meaning, as we have the privilege and honour to remember the former Liverpool Manager Matt Beard. It will not just be the WSL titles that Matt will be remembered for, but for being a pioneer for the game we all love before others were prepared to believe in its future. His dedication to developing players as people and athletes, some of whom are in our squad at London City, has left our game with a great future that could only be imagined when Matt started. The expression "we stand on the shoulders of giants" could not be more relevant for anyone inside women's football. While we hold Matt's family and friends deep in our thoughts, and in recognition of his legacy on the game, we at London City have donated to a fundraising campaign in his memory – it may well be something you would like to do too: www.justgiving.com/crowdfunding/matt-beardy

Here at London City, we are creating a community where talent is nurtured, ambition is celebrated, and every player, supporter, and partner plays a vital role in shaping our journey. Recently securing planning permission for our new Cobdown Training Centre is a significant milestone in that journey, reflecting not only our commitment to the players of today but also to those who will wear the shirt in years to come. On days like today, when we come together to support our team, it reminds us why football is such a powerful force: it unites us, inspires us, and drives us forward.

As we look ahead, I want to thank our fans, our community, and our partners for your unwavering support. We are only at the beginning of our journey, but your passion fuels our ambition and strengthens our resolve to grow London City into a club that inspires future generations.

Enjoy the match today while remembering the contribution of Matt Beard that has allowed us today to enjoy the amazing talent on display, and let's continue this incredible journey together as a club.

HEAD COACH

Good afternoon and welcome to the CopperJax Community Stadium. We are now five games into the season, and we have been adjusting to the demands of the WSL, learning and improving. Now, it is about results. We have learned quickly, shown potential, and we know where we must improve, but the next step is to show it on the pitch.

Every game in this league is a test, and today against Liverpool will be no different. But I believe in the quality and determination of this group. Our objective is clear: to fight for points, to compete in every moment, and to show that London City Lionesses can deliver at this level. We want to play an attractive, exciting brand of football to make you proud. With your support, we will give everything to achieve that.

**KOSOVARE
ASLLANI**

CLUB CAPTAIN

Hello and thank you for coming to today's match. These first weeks have been a valuable learning period for us, but now it's about turning performances into points. We know what this league demands, and we are ready to step up and meet that challenge together. We are not here just to make up the numbers.

I am proud of the character and commitment in this squad. We have experience, we have energy, and most importantly we have belief in what we can achieve. Against Liverpool, we will fight for every moment and push to get the result. Today, I ask you, to be as loud as you can once again, like when we really needed you at the end of last season. Let's go for it together this afternoon.

How are you settling in at London City? I feel very good here, since the first time I entered the locker room, I've felt very welcome!

If you weren't a footballer, what would you be? Maybe I'd love to be in the military or police outside of football. If I could stay in football, I'd love to print the jerseys and clean the boots, like the kit manager!

Do you have any superstitions before a game? I used to, what order you put your shin pads on, for example. But I got addicted to them, and it ended up distracting me from the game. One day, I said that's enough, so not anymore!

What are your strengths as a player? I'm quite good technically, playing with both feet. I'm smart and know a lot about football, although I've still got more to learn!

What do you need to work on to get better? I think I'm not the fastest. I need to work on it, but this league is helping me improve this!

What is the highlight of your career? When I started to play with the women's team at Firenze at 12-13 years old. At 19, I moved out and started my senior career, which I was happy with, I started to be more independent from my family. At 24, I moved to Atletico Madrid, which was hard to move far away from home, but it was my dream to play abroad. For sure, winning with Roma was unbelievable for me, it was not expected. I was signing to make the project bigger, but not expecting to win so fast! And now here, this is a dream come true. We need time, to work-hard, and to be humble as well, but we can be a great team in the future but also in the present. So, lots of things!

If you could go on holiday anywhere in the world, where would you go? Fortunately, with football I've gone all over the world! I'd want to do something I've not done before... I'm thinking of going to the USA with my girlfriend, to visit the cities there. I've been to New York, but not Florida for example, so we would love to go there! I would also love to go on a safari.

Who has had the greatest influence on your career? My family – especially my dad. They always pushed me to do what I want but never obliged me to play football. I was always the one who wanted to play and train, even on holidays! They just wanted to see me happy, I think. My sister has always been close to me. My girlfriend too, she is always able to call me, make me laugh, and have great times away from football too.

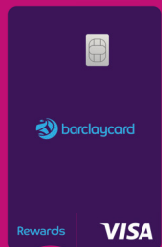

Have you got a best friend at London City? I'm close to Rofiat, I like learning about different cultures! Izzy and Teyah are also very funny! I speak a lot with the young players; I want to know how they are and how they see football.

What advice would you give to someone who wants to be a professional footballer? Always be yourself!

1-2

London City Lionesses got the job done in their opening Subway Women's League Cup fixture, beating Crystal Palace 2-1.

Goals courtesy of Sanni Franssi and Nikita Parris secured a 2-1 win at the VBS Community Stadium on a chilly Wednesday evening. This was London City's second win in a row after the club got off the mark in the WSL days before, beating Everton 2-1 at Goodison Park.

1-4

London City Lionesses put in a spirited performance but ultimately fell to a 4-1 defeat against Manchester City at the Joie Stadium.

Goals from Vivianne Miedema, Laura Blindkilde, and a brace from Khadija Shaw sealed victory for the hosts, despite Jocelyn Prêcheur's side showing plenty of fight and creating chances of their own. Nikita Parris offered a lifeline midway through the first half with a superb finish, and the London City came close to levelling before the break, only for two second-half penalties to swing the tie firmly in Manchester City's favour.

LONDON CITY LIONESSES X PLAY SAFE 2025

Last weekend, football clubs across the country once again united to shine a light on the importance of safeguarding, as part of The FA's Play Safe Weekend (27–28 September 2025).

The Play Safe campaign, endorsed by the NSPCC and supported at every level of the game – from the Premier League and Barclays Women's Super League to grassroots football – reminds us all of the vital role we play in protecting and empowering young people in sport.

This year's theme, "Small Talk is Bigger Than You Think", focuses on giving children a voice. The campaign calls on every adult in football to create safe spaces for open conversations, to ask questions, and to actively listen – because sometimes the most powerful safeguarding begins with the simplest of questions.

WHAT WE'RE DOING AT LONDON CITY LIONESSES

At London City Lionesses, safeguarding is not just a weekend initiative – it's at the heart of our culture, our Academy, and our community programmes.

Across the Play Safe weekend:

- Our players will wear Play Safe captain's armbands to show their support.
- The Play Safe banner will be on display at Academy fixtures.
- Coaches and staff will share the Play Safe message with young players and parents, reinforcing that safeguarding is everyone's responsibility.
- We're encouraging all parents and carers to complete The FA's free online safeguarding awareness course. It takes just 25 minutes and provides valuable insight into creating safer spaces for children.

Throughout the year at London City Lionesses, we:

- Deliver regular safeguarding training for staff, players, and volunteers.
- Provide clear safeguarding contacts across the Club and Academy so concerns can be raised quickly and confidentially.
- Carry out safer recruitment processes, including enhanced DBS checks for all staff and volunteers.
- Run wellbeing check-ins and player support sessions across the Club.
- Maintain open channels of communication between players, coaches, and safeguarding officers to ensure a safe and supportive culture.

If you have any questions about safeguarding at London City Lionesses, please email: safeguarding@londoncitylionesses.com

TODAY'S MASCOTS

Shoutout to Ella, Lizzy, Rebecca, Emily, Victoria, Jasmine, Cattleya, Mackenzie, Maisie, Meadow and Indiya – our mascots for today's game!

Our mascots today are from Greenhithe Lionesses, a dedicated girls-only football club based in the heart of Greenhithe. They are one of our most dedicated sister clubs, and their mission is to create a fun, safe, and supportive environment where girls aged 5-14 of all abilities can develop their football skills, build confidence, and enjoy the beautiful game.

Part of our trophy tour this summer, the Greenhithe Lionesses has five core values: everyone should have fun, they play as a team, they encourage others to be positive and try, they coach girls to have confidence to make decisions, and that they want their future players to be active, confident women.
