OFFICIAL MATCHDAY PROGRAMME

LONDON CITY LIONESSES
VS MANCHESTER UNITED
SUNDAY, SEPTEMBER 14, 2025
KICK OFF 12:00PM

WELCOME

TO OUR FIRST HOME GAME OF THE SEASON

A warm welcome to you all on what is a landmark day for London City Lionesses (LCL), our very first home fixture in the Barclays Women's Super League. To share this occasion with a club of Manchester United's stature only adds to the sense of occasion, and we're proud to host them here at CopperJax Community Stadium.

Last season was unforgettable as we secured the Barclays Women's Super League 2 title and achieved promotion on the last game of the season in dramatic fashion. That achievement was built on hard work, belief, and the unwavering support from our fans old and new and we carry that same spirit with us as we embark on this new chapter.

This summer has been another landmark for the women's game. We were proud to see several of our players feature on the international stage, while the Lionesses victory at the women's EURO's once again highlighted the strength and depth of English football, inspiring record numbers to watch, play, and support the game we all love.

Our own preparations have been busy too. A strong pre-season and a busy, exciting transfer window have added seventeen new faces, fresh energy and quality to the squad for the season ahead. We look ahead with confidence, ambition, and determination to make our mark in the top-flight.

Thank you for being here with us on this journey. Your incredible support makes all the difference, and together we can create an atmosphere to remember on this historic day.

JOCELYN PRÊCHEUR

HEAD COACH

Welcome to our first home game of the season, in the Barclays WSL, against Manchester United.

This is a very special moment for all of us. After a long and busy summer, it feels wonderful to finally be here together, beginning our journey at home in the Barclays Women's Super League.

I want to take a moment to thank you, our supporters, for your incredible passion. Last season, when we won the league, your support was truly unforgettable – we could not have achieved that success without you. The connection between the team and our fans is something very special, and we carry it with us into every training session and every match.

I must also give thanks to our owner, Michele Kang, whose vision and support have made this historic step possible. This summer has been one of growth, hard work, and preparation. Every player and staff member has given everything to ensure we are ready to embrace this new chapter.

We know this season will bring challenges, but also opportunities to show our identity, our courage, and our togetherness. We have worked with one clear goal: to give our very best so that this debut season in the Barclays WSL is one to remember for our club, our community, and most of all, for you.

Thank you for being here with us today. Let us enjoy this moment together, and let us continue to dream and fight as one.

MANAGER: MARC SKINNER

Marc Skinner is the current manager of Manchester United Women, appointed in July 2021. A progressive coach with a strong focus on possession-based football and player development, he previously managed Birmingham City Women in the WSL and Orlando Pride in the NWSL. Known for his tactical flexibility and emphasis on building competitive, resilient squads, Skinner has guided United into regular top-tier contention while promoting a strong culture on and off the pitch.

SEVEN IN SPOTLIGHT

GOALKEEPER TULLIS-JOYCE

American goalkeeper who arrived from Seattle Reign in 2023 after time in both France and the NWSL. Tall, composed, and strong in the air, she brings a calm authority that suits United's back line. Known for her professionalism and steady temperament, she's quickly established herself as the long-term option between the posts.

DEFENDER MAYA LE TISSIER

The 23-year-old Centre-back from Guernsey, now captains United after arriving from Brighton in 2022. She boasts being part of the PFA WSL Team of the Year pick in 2023 and won the club's Players' Player of the Year in 2024. Calm, grounded leader with aerial poise and rare maturity for her age.

DEFENDER JAYDE RIVIERE

Canada's Olympic gold-medal right-back (Tokyo 2020), who came via Michigan and joined United in 2023. A defensive workhorse, she's already garnered 47 caps for her country. Tenacious 1v1 defending, pace, composure on the ball - she's quietly solidified that full-back role with a sense of duty more than flair.

MIDFIELDER ELLA TOONE

United's creative heartbeat and England regular. A knack for goals in big moments—whether derby hat-tricks or cup finals—cements her reputation as a clutch player. Blends flair with graft, and her personality off the pitch matches her energy on it.

FORWARD ELISABETH TERLAND

At 24, Norway's striker is clinical beyond her years. Scored heavily at Brighton before moving to United, where her WSL goal return remains strong. Calm under pressure, her movement and efficiency make her a quietly dangerous presence in the box.

FORWARD FRIDOLINA ROLFÖ

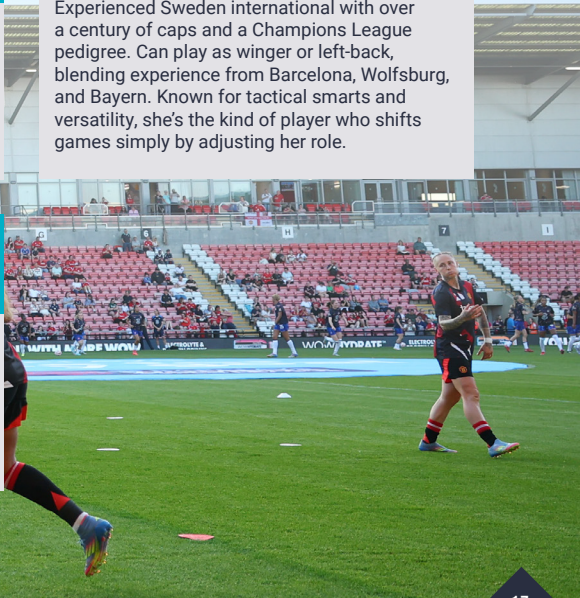

Experienced Sweden international with over a century of caps and a Champions League pedigree. Can play as winger or left-back, blending experience from Barcelona, Wolfsburg, and Bayern. Known for tactical smarts and versatility, she's the kind of player who shifts games simply by adjusting her role.

FORWARD MELVINE MALARD

French forward raised at Lyon, with Champions League medals and a reputation as one of UEFA's brightest young talents. Joined United after a sharp loan spell, already lifting the FA Cup. Brings poise in front of goal and the self-assurance of someone who's used to big stages.
